To be entrusted with leading such a remarkable organization is a true honour and one that fills me with both humility and determination. The Royal Tigers are more than a sports club; we are a family built on loyalty, passion, and a shared belief in excellence.

It's a great pleasure to share a few words as we celebrate another successful year for the Royal Tigers Sports Club.

This season, we proudly became champions for the third time in the VPCL T20, finished runners-up in the Fourshire League, and secured second place in the NCL League. But our success is not just in numbers it's in the team spirit, unity, and dedication that define our club.

Our players and management team have played an important role in keeping the Royal Tigers strong and organised throughout the season. Their effort, both on and off the field, has been exceptional.

We believe in developing players, creating opportunities, and trusting the process, not just chasing results. Every year, we proudly introduce new young talents who learn from our experienced players and carry forward the club's legacy. Beyond cricket, we also take part in football and badminton, always striving to improve across every sport we play.

We're equally proud of our community work, encouraging young people to get active, build confidence, and stay away from antisocial behaviour. Each year, we also run a pilot project to help those most in need, continuing our commitment to give back.

We express our gratitude to our sponsors and well-wishers for their ongoing support your contribution means a lot, and we look forward to working with you again in the future.

To the esteemed founders, dedicated committee members, passionate players, generous sponsors, and the entire Royal Tigers Sports Club family,

As we gather to celebrate our upcoming Awards Ceremony in November 2025, I am filled with a profound sense of pride and nostalgia. My journey with this great club began on the 16th of December, 2018 a day I recall vividly, as the responsibility I undertook was both a great honour and a significant challenge.

I wish to express my deepest gratitude to the visionary founders and the founding committee, who entrusted me with the leadership of the Royal Tigers. To our incredible players, whose relentless drive and talent are the heart of this club, and to our steadfast sponsors, whose belief and support fuelled our growth thank you.

It has been a privilege to witness and contribute to our club's extraordinary evolution. From its inception as a British-Bangladeshi club, our first-year cricket performance was nothing short of amazing. To see that initial spark grow into a roaring flame, establishing the Royal Tigers as one of the biggest and most respected names in the sports community today, is a testament to our collective spirit and unwavering dedication.

My heartiest congratulations go out to every player nominated for an award this year. Your excellence on and off the field is what we gather to honour. You are the legacy we are all so proud of.

The Royal Tigers Cricket Club continues to shine as a symbol of passion, teamwork, and sporting excellence in the cricket community. I've known the team in various capacities as League Secretary of VPCCL, Chairman of the VPT20 Blast, and even as an opponent on the field. Their commitment and competitive spirit are unmatched, and this year they capped it off in style by winning the VPT20 Blast a well-earned victory for a truly exceptional side.

**Nozmul Hussain**

League Secretary of VPCCL, Chairman of the VPT20 Blast

Royal Tigers CC started their journey with the National Cricket League (NCL) in 2023 by competing in our Emerald Division B (4th Tier). The Club did well winning 5 League Fixtures out of 14 games. In 2024, again, Royal Tigers CC were drawn in our Emerald Division B (4th Tier), consolidating their position to the 2025 Emerald Division.

In 2025, Royal Tigers CC were drawn in our Emerald Division C (4th Tier), witnessed their best ever season in the National Cricket League (NCL) finishing Runners Up, 7 points short for becoming Champions to the Division, nevertheless it was a remarkable effort by all involved with the Club who continued in believing in themselves, congratulations. Season 2026, awaits our Championship Divisions (3rd Tier) where they could be drawn in Divisions A, B and C. Both Co-Founders, Nahed Patel (Chair) and Sajid Patel (Secretary) have had the greatest privilege to work with Clubs like Royal Tigers CC and many others, great to see the growth of cricket participants from the Bangladeshi Community with around 29 out of the 90 Teams led by the members from Bangladeshi Community by continuing the growth and bond of Brotherhood by strengthening cricketing family with other members of the South Asian Communities and beyond.

The National Cricket League (NCL) completed it's 14th Season since establishing in 2012, it's been an incredible journey with continued learnings along the way led by two Co-Founders who have been recognised by the England & Wales Cricket Board (ECB) and Essex County Cricket Board, alongside like-minded and wonderful individuals part of the NCL Management Committee.

The continued successes are collective efforts by the whole NCL Cricketing Family from Management Committees, all our 90 Clubs/Teams, 1800 Playing Members, Match Officials and many other cricket lovers for creating a long term legacy offering mainstream cricket on Sundays.

Royal Tigers Cricket Club are amongst many other Teams with ambitions, growth of aspirations in using cricket to serve the Community and wider audiences, very similar to the National Cricket League (NCL) ethos in raising the profile our beautiful game fully deserves. It is an absolute honour and a privilege to share a few words on the occasion of the Royal Tigers Sports Club Annual Award Ceremony.

Cricket has been a part of my life for as long as I can remember, and playing for Bangladesh on the international stage taught me that true greatness in this game comes not only from individual performance, but from team spirit, leadership, and unity.

**Sajid Patel & Nahid Patel**

Founder of the National Cricket League

These are the same values that I see deeply rooted within the Royal Tigers Sports Club. When I first became part of this club, I immediately felt the passion, ambition, and commitment that make the Royal Tigers so special. Every player, from the youngest to the most experienced, carries a fire to perform, to improve, and to represent this club with pride. It's not just a team it's a family bound by trust, hard work, and the shared dream of excellence.

This past season, leading the Royal Tigers Cricket Team to become Champions of the Fourshire League 2024 has been one of the most rewarding moments of my career. It was a journey built on dedication, consistency, and most importantly, belief. Every player stepped up, every supporter stood strong, and together, we roared our way to the top. This victory wasn't just about winning a trophy, it was about proving what unity, effort, and heart can achieve when combined with true team spirit.

As captain, I've always believed that leadership means more than setting a field or calling a toss it means inspiring others to give their best, both on and off the field. I am proud to see how far our players have come improving not just their skills, but also their attitude, discipline, and understanding of the game. Watching them grow and fight for every run and wicket is what makes this journey worthwhile.

The Royal Tigers Sports Club has become one of the most influential and respected community sports clubs in the UK, and I am humbled to be part of its story. To me, this club is not just an organisation it's a symbol of unity, culture, and pride for our Bangladeshi community. To all our players, management, sponsors, and supporters, thank you for believing in the dream and for always standing behind us. You are the true strength of this club, and I am confident that the Royal Tigers will continue to achieve even greater heights in the years to come.

As we celebrate tonight's Award Ceremony, let us remember that success is not a destination it's a journey that we take together. I am proud of our achievements, grateful for our brotherhood, and excited for the future that lies ahead.

Let's continue to play with passion, respect, and unity and let's make sure the Tigers keep roaring louder than ever.

With gratitude and pride,

Captain Royal Tigers Sports Club (Fourshire League Champions 2024)

It gives me immense pleasure to share a few words for the Royal Tigers Sports Club on the occasion of your Annual Award Ceremony.

Having had the privilege to represent Bangladesh on the international stage from a young age, I have always believed that the true strength of cricket lies not only in its global recognition but in the communities that nurture it from the ground up. The Royal Tigers Sports Club is a shining example of how passion, unity, and dedication can turn a local team into a powerful symbol of pride for both Bangladesh and the Bangladeshi community here in the United Kingdom.

Earlier this year, I had the great honour of playing in a special friendly match organised jointly by the Bangladesh High Commission and Royal Tigers Sports Club a day that perfectly captured the brotherhood, excitement, and love for cricket that connects us all. It was heartwarming to witness the enthusiasm, sportsmanship, and unity shown by the players, organisers, and supporters. The atmosphere reminded me of why cricket is so deeply woven into our identity it brings people together, inspires hope, and builds lifelong friendships.

Over the years, I have played in many grounds around the world, but playing for Royal Tigers Sports Club, even in friendly or important matches, always feels like coming home. The spirit, respect, and determination I see in the Royal Tigers players make me proud to be associated with this incredible club. You have built something very special a place where young people learn not just how to play, but how to dream, work hard, and represent their community with pride.

I want to take this opportunity to congratulate the entire Royal Tigers family from the management and coaches to the players, sponsors, and passionate supporters for everything you have achieved so far. Your efforts in developing youth talent, promoting inclusivity, and keeping our Bangladeshi sporting spirit alive abroad deserve the highest praise. To the younger generation of players: always remember, success in cricket as in life comes from discipline, patience, and passion. Respect the game, respect your team, and keep believing in yourself, no matter how tough the journey becomes.

As we celebrate tonight's award ceremony, let us also celebrate the unity and love that make this club so extraordinary. I wish the Royal Tigers Sports Club continued success and many more victories ahead. Keep roaring proudly for yourselves, for your community, and for Bangladesh.

With best wishes and warm regards,
